

CHECKERS

Justrite Safety Group

**SMALL VEHICLE
IDENTIFICATION SIGN**
PRODUCT INFORMATION BROCHURE

PICTURED: LUN SIGN IN USE

CHECKERS™ Vehicle Identification Signs provide fast and easy identification of any type of equipment in mining, construction, industrial, utility, or traffic work environments. Available in both small and large sizes, these identification signs are great for either small utility vehicles or haul trucks and larger equipment. Durable and highly visible, these signs will stand up to the abuse of a jobsite while providing optimal light output.

- **CHECKERS™ Motion Safety™ Industrial Signals are manufactured in the USA, in Mesa, AZ**
- **Utilized on work sites around the world**
- **Features high intensity LEDs for maximum visibility**
- **Durable housing ensures signals will hold up in the harsh conditions of the mining, construction, and oil & gas industries**
- **Many different luminosity options available**
- **Long lasting LEDs reduce replacement costs**
- **Multiple lens colors available for most models**
- **Many models feature several flash patterns to suite different needs**

CHECKERS™ SMALL VEHICLE IDENTIFICATION LIGHTS are built with high output LED lights and provide superior visibility during the day or night. The numbering panel is constructed from a high contrast material that is easy to read whether the sign is powered or off. These durable lights are built with heavy duty materials to withstand pressure washing, vibration, impact, and the harsh weather and working conditions frequently experienced in exterior applications. They are rated at operating temperatures ranging from -60° F to 140° F (-50° C to 60° C).

- Perfect solution for identifying multiple vehicles
- Optimum visibility during the day or night
- Numbering can be viewed when vehicle is not powered
- Durable construction withstands high pressure washing, impact, vibration, and big temperature shifts
- Minimizes replacement and maintenance costs
- Easily replaceable number panels
- Easy to read
- High contrast colors
- Increased visibility
- Durable materials
- Easy connection
- Scratch-proof magnetic base

⚠ WARNING: This product can expose you to chemicals including Isopropylidenediphenol, Methylene Chloride, Ethanol, Ethylbenzene, Hexane, Lead, Methanol, Nickel Compounds, and Naphthalene, which are known to the State of California to cause cancer and birth defects or other reproductive harm.
