WALL & CORNER GUARDS

PRODUCT INFORMATION BROCHURE

PICTURED: WALL GUARD AND CORNER GUARD

Checkers™ is a full-service manufacturer of parking lot safety solutions. We design and manufacture traffic control products that help cars navigate and park safely. Our main goal has been to create solutions that protect motorists and pedestrians from the perils of today's parking lots. As such, Checkers™ products have been designed and developed with speed reduction, driver and pedestrian safety in mind. All our solutions are manufactured from 100% recycled rubber and plastic. Our speed bumps or parking blocks, for example, are longer lasting, highly visible, and more car-friendly than asphalt or concrete alternatives. Not only are Checkers™ traffic safety solutions environmentally friendly, they can also be installed for either temporary or permanent use.

- **Rubber guards prevent damage to vehicles and parking structures**
- **Rubber guards don't degrade, keeping parking lots and streets aesthetically pleasing**
- **High-quality rubber is resistant to ultra violet light, moisture, oils, and extreme temperatures**
- **Recycled rubber construction is environmentally friendly**
- **Pliable rubber is easy to mount**
- **Highly reflective colored tape ensures visibility**
- **Easy-to-install on concrete surfaces**
- **Can be used for temporary or permanent applications**
- **Great for commercial and residential applications**

PRODUCT INFORMATION

Wall and Corner Guards Wall are cost efficient damage prevention solutions that help protect the surrounding infrastructure and vehicles in parking facilities. Manufactured from high-impact virgin rubber, these long-lasting, durable, and cost-effective solutions are highly visible and easy-to-install. High intensity reflective tape increases visibility – especially at night, and provides the necessary guidance to drivers when parking in tight spots. Ideal for surface and multi-level parking lots, interior factory or warehouse walls, and areas surrounding loading docks.

Material: Virgin rubber

- Long-lasting and cost-efficient
- Easily installed by one person
- Used for temporary or permanent installation
- High visibility
- CG800 and CG900 includes high intensity sheeting/ reflective tape

⚠ WARNING: This product can expose you to chemicals including Arsenic, Cobalt, Cadmium, Lead, Chromium, Nickel Compounds, which is known to the State of California to cause cancer and birth defects or other reproductive harm. For more information go to www.P65Warnings.ca.gov.
