

Firefly® Series Cable Protectors

- Built-in lights offer high visibility in low light situations
- LED lights are low power for extended use
- Ideal for entertainment venues

The Firefly Illuminated 5-Channel Cable Protector has built-in battery-powered led lights in the ramps and brightly colored lids for increased visibility in low light situations. Firefly cable protectors include a Dog Bone connector to link with standard 5-channel cable protection systems with Dog Bone connectors.

- Battery-powered LED lights built directly into side ramps available in 2 colors (red or blue)
 - Includes power button to easily turn LEDs on or off; replace AA batteries for continued use
 - High-visibility lid colors make it easily seen in low light
 - Interconnects directly to a standard 5-channel cable protector with a Dog Bone connection
 - All-weather urethane construction
 - Available in multiple lid color options to match your current cable protectors
-  G/B (green lid/black base)
 -  BLU/B (blue lid/black base)
 -  O/B (orange lid/black base)
 -  Y/B (yellow lid/black base)
