

Rubber Duct Cable Protectors protect and hide valuable cords and cables located in walkways or work areas. These flexible rubber protectors are durable, easy to install, and organize portable cords and cables while reducing trip hazards. Available in 5 ft or 10 ft lengths and can be slit on the bottom for easy cord insertion (select models provided pre-slit).

- Non-metallic, industrial-grade rubber construction
- Multiple sizes for various cable diameters
- Grooved underside for better traction
- Optional Carpet Kit available for added traction
